ALABAMA REPORTER,

THURSDAY MORNING, Sept. 26.

MR. THOS. S. SMITH of Selma
was appointed the authorized agent during my
absence from the country.
Feb. 10, 1863. — I. S. WHITTE.

Capt. Shafter's Regiment.

Col. U. M. Shafter's Regiment (60th Ala.) left one place on Wednesday morning for Demopolis. There was a pretty full number on board and we were glad to see all in fine spirits. This is a gallant Regiment has stood the severest trials with unflinching courage. Their patriotic courage and endurance have been thoroughly tried and they have been found true under all circumstances. Four companies of the Regiment are from Talladega and the remaining companies from the adjoining counties.

We present for whom a brilliant future. The 81st, we understand leave on Thursday morning.

Early Frost.

We had white frost on the mornings of the 10th, 11th and 12th inst. The frost of the potato vines, and all tender vegetation killed.

Motivation.

Our farmers are busy grinding their sugar mill and making molasses. Many who formerly had a very comfortable position of the sugar planters are learning that the well opened cane makes a root rate article of molasses.

Soldiers Families.

It will be seen from the proceedings of the public meeting held here on Monday last that our citizens are, moving in the right direction to secure an abundant supply of provisions for soldiers' families.

We have heard of but few men in the country who were not prepared to come up to the mark and meet the issue. The soldier has the question of bread for his family.

Death of Adj'tant A. B. Renfro.

We were sorry to learn that Adj'tant A. B. Renfro of Mr. T. P. Renfro and for many years of our town was killed in the battle near Corinth on Aug. 30, 1862. Poor boy, he was a brave fellow and a brave and true soldier.

Centenary College.

We invite attention to the proceedings of this old and well established Institution.

We have also been requested to give notice that they will board pupils at twelve dollars per month, payable in four annual instalments, in our private rooms at eight cents. Planters' doubtless find this a convenient arrangement as it makes board three dollars per month cheaper than it was two years ago.

The Concert Friday Night.

Capt. George S. Davis, Director of the Sibley's, and the 1st Ala. Regiment.

The concert, given for the benefit of capturing the fine First Alabama Hospital, was a happy affair, demonstrating the fact that the citizens of Talladega are generous to a fault, and when a direct call is made they always respond in liberal contributions. The music was excellent, and certainly soul-inspiring. The singing by some of the young ladies of our town, was charming and did much credit to the musical talent of our musical coteries, of which Talladega is prominent in presenting many circles of song and instrumental talent.

The comic songs were appropriate and of the comic. As a whole it was a musical treat long to be remembered in Talladega.

The proceeds were \$147.50, the largest receipts we believe ever turned in the frame of public exhibition and is an evidence that Talladega is up to the spirit of the times. Our only regret is we could have more of such music.
